Posted: July 1, 2020

Product Brand: Raritan

Product Family: Rack Power Distribution Units (PDUs)

Raritan is announcing the End-of-Life (EOL) and discontinuation of the select PX2 PDU models (see discontinued SKU list on the left). With this announcement we encourage you to contact us to determine which replacement, alternative, or comparable Raritan product offering best benefits your operations.

Announcement Milestones

Key milestones affecting the discontinued part numbers listed include:

- Last Order/Sale Date – July 27, 2020 (availability subject to stock on hand)
- Last Ship Date – October 16, 2020
- End of Support Date – October 31, 2022

Learn more about Raritan's EOL Policies for power distribution products [here](#).

Your Next Steps

We recommend following these steps to make sure that you are doing what is best for your operations.

- ✓ Determine if an affected product is in use in your operations
- ✓ Review your existing service contract terms to understand your remaining coverage then contact us if you have any questions
- ✓ Contact us to determine which replacement, alternative, or comparable Raritan product offering best benefits your operations
- ✓ Breathe easy knowing that you will have expert support to help you during your transition to an alternative or comparable Raritan product offering

If you have any further questions, we are here to help.
