

End-of-Life and Discontinued Product Announcement

Select Raritan PX2/PX3 Rack PDUs

May 23, 2022

Legrand is announcing the End-of-Life (EOL) and discontinuation of the Raritan part numbers outlined in *Table 1*. With this announcement, we encourage you to contact us to decide which replacement, alternative, or comparable Raritan product offering will best fit your operations.

Announcement Milestones

May 23, 2022	End-of-Life Announcement (EOLA) is the public notification date that commences the announcement that a product has been discontinued.
January 14, 2022	Last Order/Sale Date (LOD) is the last date on which purchase orders may be placed for the affected product and for new support service contracts to be granted related.
May 30, 2022	Last Ship Date (LSD) is the last possible ship date that can be requested for the affected product.
December 30, 2023	End of Support Date (EOS) is the date when access to support services is limited and considered on a case-by-case basis only.

Your Next Steps

We recommend following these steps to make sure that you are doing what is best for your operations.

- ✓ Visit the Raritan website to download the [discontinued Raritan part numbers list](#) to determine if a Raritan product/model in its end-of-life is in use in your operations
- ✓ Use the [Raritan PDU Product Selector](#) to select an alternative or comparable product offering
- ✓ Breathe easy knowing that you will have [expert support](#) to help you during your transition to a newer Raritan product model

If you are interested in migrating to a newer Raritan product, please contact our team of power experts at 1-800-724-8090 or email sales@raritan.com.

To learn more about the end-of-life policies for Raritan power distribution products, please visit www.raritan.com/power_EOL.
