

Trade-in old KVM switches from Raritan (e.g. Paragon II) or from other manufacturers including Avocent<sup>®</sup>, Aten/Altusen, Digi<sup>®</sup>, HP, IBM<sup>®</sup>, Dell<sup>®</sup>, Lantronix<sup>®</sup>, MRV<sup>®</sup>, and Belkin<sup>®</sup> for great savings on our latest generation KVM-over-IP, the Dominion KX III<sup>®</sup>.

## Why Trade up to the Dominion KX III?

The Dominion KX III is Raritan's flagship, enterprise-class KVM-over-IP switch that provides 1, 2, 4 or 8 users with BIOS-level, Java-free, remote management of 8, 16, 32 or 64 servers in a single switch. With industry leading video performance, security, and reliability, the Dominion KX III is a perfect replacement for older analog matrix switches.

With standard features such as DVI/HDMI/DisplayPort digital video, VGA analog video, virtual media, audio, smart card/CAC, and mobile access, the Dominion KX III is suitable for both general computer and dynamic broadcast applications.

## Top Reasons to Upgrade to the Dominion KX III

- Superior video performance with 1080p, 30 frames-per-second and 50 ms latency
- Support for VGA, DVI, HDMI and DisplayPort, with digital audio
- Java-Free HTML5 and Microsoft .NET KVM Clients
- IP-based User Station supporting dual monitor and up to 8 simultaneous KVM connections
- LAN, WAN and Internet/VPN access
- Integrated PC and laptop access
- True serial-over-IP access to routers, switches and LINUX/UNIX servers
- Continual enhancements and firmware updates for new features, enhancements and security updates

## Trade-In Instructions

### END-USERS

1. Contact your reseller with details on what you would like to trade in and the details of your new purchase.
2. Provide serial numbers of your trade-in equipment, manufacturer names, model numbers, port count and type. This information will be given to Raritan, which will offer a trade-in value. Then return your authorization RMA#.
3. Your Raritan reseller will provide you with a Raritan trade-in RMA# once the form is reviewed and approved by Raritan.
4. Raritan will discount the new equipment by the determined trade-in value. The reseller will pass on this discount to your company.
5. Send us your old KVM switches within 60 days of receiving your RMA#. If products are not returned, you will be invoiced for the amount of the discount.
  - Include with this shipment a copy of your reseller's invoice for the new Dominion KX III product that you have purchased as part of the program. Make sure the RMA# is printed clearly on your shipping boxes. You must prepay all shipping charges.
  - Ship RMA product to: Raritan Inc. Attn: Customer Loyalty RMA# \_\_\_\_\_  
400 Cottontail Lane, Somerset, NJ 08873

### RESELLERS:

1. When you receive the trade-in product details from your end-user, please complete the trade-in request form that can be found in our partner portal at <https://users.servertech.com>
2. Send the completed form to the sales inbox at Raritan and an Inside Sales Representative will validate the request and return an RMA# and trade-in value to you. Please contact them at [sales@raritan.com](mailto:sales@raritan.com) or 1-800-724-8090.
3. Send your end-user customer the RMA# to ensure that the trade-in products are returned to Raritan within 60 days.

**For more details on the trade-in program, contact 800-724-8090 or [Sales@raritan.com](mailto:Sales@raritan.com).**
