Raritan Product Management Statement

Valued Raritan Customer,

Raritan is officially announcing the CC-SG-V1 hardware units are no longer to be sold in **EMEA regions**. The discontinued date will be effective on **January 25th, 2021**. It will continue to be sold in the other regions except EMEA.

The product discontinuity is due to the CC-SG-V1 hardware platform specifications not complying with IEC62368. As the sales volume cannot support the upgrade for IEC62368 safety certification, we decide to discontinue the following product SKUs. The warranties will continue to be sold.

Part Numbers
CC-SG-V1-128: Appliance & 128 node license + 2YR HW Warranty
CC-SG-V1-256: Appliance & 256 node license + 2YR HW Warranty
CC-SG-V1
CC-2XV1-128: Two CC-SG V1 128 Node Lic + 2YR HW Warranty
CC-2XV1-256: Two V1 Appliances & License for 256 nodes + 2YR HW Warranty on each appliance & 1YR of SW Maintenance

The replacement products for CC-SG-V1 hardware platforms are listed below.

CC-SG Hardware Platform	Replacement Product
CC-V1-128	CC-E1-256
CC-V1-256	CC-E1-256
CC-2xV1-256	CC-2XE1-512

Except the CC-SG-E1 hardware platform, CCSG virtual appliances are a type of non-hardware replacement.

Sincerely,

Hugo Lin

Assistant Director of KVM Product Management
